# Canoga Iris Gardens

1952

MRS. OTTO STUETZEL  
8239 Topanga Canyon Blvd.  
Canoga Park, California

THE AMERICAN PEOPLE

The American people are the most numerous and powerful people in the world. They are the people who have made the greatest contributions to the progress of the world. They are the people who have the greatest capacity for self-government and for the improvement of their own lives and the lives of others.

The American people are the people who have the greatest capacity for self-government and for the improvement of their own lives and the lives of others. They are the people who have the greatest capacity for self-government and for the improvement of their own lives and the lives of others.

## PLEASE READ BEFORE ORDERING

As this is a hobby garden, stocks are scarce and in great demand. Shipping begins July 10, through September, and orders will be shipped in rotation as received. When specific shipping date is requested, we do our best to oblige.

---

TERMS: CASH WITH ORDER. Check, draft or money order.  
NO STAMPS ACCEPTED.

Make checks or money orders payable to:  
CANOGA IRIS GARDENS

Residents of California, include 3% Sales Tax.

Residents of Los Angeles, include 3½% Sales Tax.

---

Postage paid on orders in the United States that amount to \$5.00 or more. On orders less than \$5.00 please add 40 cents for packaging and mailing.

---

Please list several extra varieties which we may substitute, should we be short on any variety ordered. If no extra varieties are listed, we will substitute a near color of equal value or better value on varieties listed at less than \$1.00.

---

WE GUARANTEE all stock to be true to name, of first class size and quality and to reach you in live and healthy condition. We cannot guarantee that plants will live and grow in your garden under conditions over which we have no control. We will also gladly replace any variety that fails to grow if reported to us by October 1 on the year of planting.
